PLASTILINE - RED

Additional Information

Description:

HN Hit Nails presents its latest 3D Gel, **HN Plastiline**, ideal for 3D Nail Art work and to let your creativity flow!

To make modeling easier with HN Plastiline Gel, it is possible to use gloss gel.

Risks and Precautions:

For professional use only.

Read the instructions carefully.

May cause an allergic reaction.

Avoid contact with skin and eyes.

In case of contact with eyes, rinse abundantly with water and seek medical advice.

If swallowed, do not induce vomiting; seek medical help immediately and show the product packaging.

Keep out of reach of children.

Directions for Use: Take a small portion with the help of a spatula. Sculpt with the appropriate tool. Once the desired shape is achieved, cure under UV light for 30 seconds (times may vary depending on the device used). Does not require top coat. For other uses, consult HN Hit Nails.

Note: The product is sensitive to UV radiation. Do not expose to sunlight or UV light.

Ingredients: Aliphatic urethane acrylate, Polyurethane polymer, Acrylic copolymer, 2-Propenoic acid pentaerythritole ester, Benzoyl isopropanol, Methyl benzoylformate, Aliphatic urethane diacrylate, PEG-4 trimethylolpropane triacrylate, BHT, Polyester resin, Hydroquinone, p-Hydroxyanisole, CI 15880.

Capacity: 5ml
