

EXPRESS BASE - COVER

Additional Information

Description:

If you are looking for an extra-strong, flexible, and easy-to-apply gel polish base, **Express Base Cover** is the ideal solution! Developed to offer maximum adhesion and durability, this base transforms any manicure into a professional experience.

Its elastic and self-levelling formula allows for extensions up to 2mm, corrects imperfections, and ensures a perfect apex. Ideal for professionals and enthusiasts who do not compromise on quality and durability!

- Quick and easy application – For a flawless finish with no effort.
- Easy to level – Fluid texture that adapts to the nail.
- Maximum resistance and durability – Guarantees flawless nails for longer.
- Compatible with Top Color, Gel Polish, and Gel – Perfect for any technique.

Risks and Precautions:

For professional use only.

Avoid contact with skin and eyes.

Discontinue use if irritation occurs.

In case of contact with eyes, rinse thoroughly with water.

Keep out of reach of children.

Directions for Use: Brush onto gel or acrylic nails and cure under UV lamp for 2 minutes or LED lamp for 1 minute. Times may vary depending on the devices/lamps used and their power. Do not touch the surface for approximately 1 minute after curing. The dispersion layer does not need to be removed.

Note: The product is sensitive to UV radiation. Do not expose to sunlight or UV light.
